[7] Human Values and Professional Ethics : Mulya Pravah

Human values, professional ethics, and legal framework are three main constituents those direct the desirable human behaviours and decision-making guidelines in an organisation.

Objectives :Human Values and Professional Ethics

- To reinstate the rich cultural legacy and human values in HEIs
- To focus on professional ethics which are broader indicators of desirable actions .
- To lay down broader guidelines of values and ethics for internal and external stakeholders.
- To suggest operational guidelines for value-based and ethical practices
- Implementation and monitoring of value-based and ethical practices.
- To indicate the outcomes of creating a value-based and ethical culture in HEIs.
