

KUMAUN UNIVERSITY NAINITAL

QUALITY MANDATE INITIATIVE
CELL: CONSTITUTED IN JULY 2021

[4] Consortium for Academic and Research Ethics: CARE

Objectives OF CARE

- To promote the quality research.

- To promote academic and research integrity as well as publication ethics.

- To promote high quality publications in reputed journals

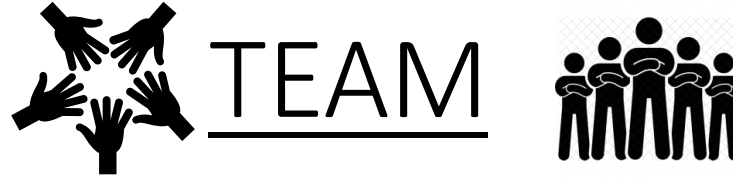

- To Develop an approach and methodology for identification of good quality journals.

- To prevent publications in dubious / sub-standard journals

- To create and maintain a “CARE Reference List of Quality Journals” for various academic evaluations.

Action Plan

- To make the UGC care list of journals available to faculty members and research students by sharing the link. (Link already available on the website).
- Mandatory for Ph.D. students and faculty to publish papers in UGC care list Journals.
- Systematic documentation of publication of faculty members, post Doc researchers and Ph.D. students.
- Two Online lectures in October 2021 and March 2022 are proposed for Ph.D. and M.Sc. students.
- Identification of good quality journals in every disciplines and uploading it on university website.
- The task group will counsel Ph.D. students time to time regarding predatory/ dubious/ questionable journals.
