BASIC CONCEPTS OF MATHEMATICS

7 Days Online Course Organized By Kumaun University, Department of Mathematics, SSJ Campus, Almora On **Basic Concepts Of Mathematics:** Mathematical functions and their graphical representation, differentiation and integration

Course Highlights:

This course is for students from any stream who want to learn mathematical concepts

Topics covered in this course:

- Interpretation of mathematical functions and plotting them into graphs
- Analyzing mathematical functions and problems
- Solution of the differentiation, partial differentiation and integration problems using appropriate methods

“For all the students who want to deep dive into mathematical concepts, the fun way”

NOTE:

This course is absolutely free of cost

E-Certificate will be provided to all the participants

Register Here:
