Pattern of examination theory papers

A. Theory (External)

Each theory paper shall consist two sections A and B.

Section A: (Short answers type with reasoning); 45 marks, eight questions of nine marks each, any five have to be attempted.

Section B: (Long answers type); 30 marks, two questions of fifteen marks each. Both the questions are compulsory with internal choice.

B. Internal assessment

For each theory paper internal assessment shall be conducted periodically (in the form of class tests and/or assignments/ group discussion/ oral presentation/ overall performance) during the semester period. Total marks allotted to internal assessment shall be 25. The evaluated answer sheets/assignments have to be retained by the Professor In-Charge for the period of six months and can be shown to the students if students want to see the evaluated answer sheets. The marks obtained by the students shall be submitted to the Head of concerned department/ the Principal of the College for uploading onto the University examination portal.

C. Practical

The laboratory work of the students has to be evaluated periodically. The breakup of marks for practical examination for **each semester** would be as follows:

Practical exam: 20% marks

Viva voce: 20% marks

Lab record: 20% marks

Spotting: 30% marks

Attendance: 10% marks

Total: 50 marks (each semester)

Marks obtained in the practical examination have to be submitted to the Head of the department/ Principal of the College. The Head of the Department/Principal of the College will make necessary arrangement for uploading the marks onto the University exam portal. The hard copy of the award list from portal has to be submitted to the Controller of Examination, Kumaun University, Nainital.
